

Each Contracting Party shall afford all the classified materials, projects, designs, technical specification and any other information, received under this Agreement, no lower degree of security protection than that assigned by the Originating Contracting Party and shall take all the necessary measures to keep them classified as long as requested by the Originating Contracting Party.

Classified information, document and/or material means any support containing classified information and any communication made in any circumstances and by any means containing such information.

The corresponding degrees of security classification used by the Contracting Parties are:

For the Italian Republic
For the Hashemite Kingdom of Jordan
